*“The music of Voice of the Shepherd puts the Scriptures to music in a way that lets the voice of the Good Shepherd shine through. Their voices are beautiful and the music honors and invites the presence of God.” - Paul Wilbur*

*Voice of the Shepherd is a group of gifted musicians who sing and play original compositions that express their love and devotion to the God of Israel and to Yeshua, their Messiah. Their music is rich in content, moving melodies, and is beautifully performed.” – Marty Goetz*

**Background:** Two decades ago, the messianic worship group *Voice of the Shepherd* recorded an album of original music based on the Scriptures. After a 25-year hiatus, the Lord unexpectedly restarted the group in a miraculous way. The group added vocalist Valerie Joyce Diaz and released its first new album in 25 years titled *For Such a Time as This*. The 12 songs on this album are based on the words and people in the Bible.

*Voice of the Shepherd* has been featured in a 2-page story in the Messianic Times. The group or its members have performed with Paul Wilbur, Marty Goetz, Sid Roth, First Fruits of Zion, Lois Tverberg, Eitan Shishkoff, Besorah Institute, and Daniah Greenberg. Some of their songs were also briefly played on one of the top Christian radio stations in America. We invite you to attend this special night of worship in-person or online.
